PRINCIPAL'S MESSAGE

Last week our RAM (Resource Allocation Model) or Gonski Funding for 2016 was announced. We will receive about the same as last year. This will enable us to continue with our special programs, individualised instruction and teacher mentoring initiative which is fantastic and possibly implement some other new programs. Parents should feel confident that innovative, flexible systems are in place and we will continue to cater for every child.

Kindergarten 2016 Orientation starts this Wednesday afternoon. We had a fantastic gathering of parents last week at our information evening. It was great to see new and familiar faces and we are all really looking forward to working with everyone in this new chapter of everyone’s lives.

This Wednesday the P&C is organising for our canteen kitchen to be open for recess and lunch. A meal deal has been arranged and slips have been put in the newsletter. Please return by tomorrow and meals will be delivered to classes. Parent helpers required.

We have also been fortunate to receive a brand new fridge from Electrolux in Orange as a community donation to go in the school canteen kitchen - “ask and you shall receive!” This is just what we needed as our old fridge was not going to make it though summer.

Please remember that school supervision does not start until 8.30am. There are several students arriving early and there is no one to supervise them. Student safety is very important so please remember this. Also, please remember to use the school crossing only, on Tilga St. Please do not cross at the crest of the hill at the front gate, it is too dangerous.

Year 3-6 start swimming for sport this Friday. Please bring in money, notes and swimming gear by the end of the week.

Have a great week!

As you might remember, last term an extension group called ‘Busy Kids’ ran a Spider Drink stall. ‘Busy Kids’ made $321.13 for our school and we are looking at putting the money towards a couple of ‘Cabbys’. A ‘Cabby’ is a laptop carrier which also charges our laptops at the same time. We are looking at getting a portable ‘Cabby’ so we can move our laptops around the school. Thank you to everyone who purchased a Spider Drink at our successful Spider Drink Stall.

Sincerely ‘Busy Kids’

Minenhle, Rhian, Sam and Jack were very impressed with the fantastic new fridge that was kindly donated to our school by Electrolux in Orange. The fridge is a great addition to the newly renovated school canteen area.
This week’s Class in Focus is: Kindergarten J and L

In literacy Kindergarten have been learning about procedures. Last Friday Kinder L and Kinder J learnt about reading, following and writing a procedure. We made mini pizzas in our new school kitchen. Ingredients were provided to students in groups and they had to follow the procedure to make their pizza. We had lots of fun and our pizzas were delicious!

Kinder J will be having a cake stall at the Fete. We would greatly appreciate if families could bring cake, biscuits, muffins, cupcakes or slice along to be sold on the day. All money made will go towards our school. Your involvement would be fantastic as the children really enjoy purchasing items from the cake stall.

Many thanks Kinder J & Miss Jasprizza
