## PRINCIPAL’S MESSAGE

A huge thank you to Joe and Michelle Curran for having the Infants excursion at their farm. The children had a fantastic time seeing the sheep being shorn in the shearing shed, horses at the stables and having lunch under the shade of the trees at Noojee Lea Homestead. Thank you also for providing the drink stations along the way and a cold ice block at the end of a busy day. Thanks to Mrs Lloyd and Miss Jasprizza for organising the day.

Whole School Assembly is tomorrow at 1.45pm. Year 2 and 5 have been busy practising for their performances on stage. This will be the last assembly of the year before Presentation Day on Tuesday 15th December.

On Wednesday Member for Orange Andrew Gee will be presenting a certificate in recognition of a $3 500 NSW Government Eco Schools Grant for our outdoor learning area. The submission was completed early in the year and last week we were advised that our application was successful. This means that we will be able to complete Stage 2 of the garden area next year with the help of the school community.

Year 6 Burrendong excursion notes and money is due soon. This is a great excursion run by NSW Sport and Recreation. A list on what to bring etc. will be sent home shortly.

There is a new school uniform price list attached to the newsletter, you can also find this on our school website. There has been a price increase due to our suppliers increase. All students will be required to have a least one school polo shirt with an emblem on it next year for school photos and special occasions. Our polo shirts are every reasonably priced and wash and wear a lot better than other yellow shirts bought elsewhere. We have also found a nice black pant for the girls in winter with an adjustable waistband and boys will be required to wear grey pants in winter.

There will be no swim school on Thursday due to tree removal at the pool. Money will be reimbursed or used for end of year pool party entry.

Have a great week!

Principal
